

Solid Brass G4 Landscape Flood Light,
12V, Up to 50W, Adjustable Angle

- Solid brass housing for exterior durability
- Frosted heat-resistant glass lens
- Accepts G4 bulbs rated up to 50W
- Operates on 12V low-voltage supply
- 1-meter #18 gauge cable included
- 9-inch ground spike with adjustable angle mounting

OVERVIEW

The Solid Brass G4 Landscape Flood Light is a low-voltage outdoor fixture designed for landscape and architectural accent lighting applications. Its solid brass construction and frosted, heat-resistant glass lens provide durability suited to permanent exterior installations.

The fixture operates on a 12V supply and accepts G4 bulbs rated up to 50W. It includes a 1-meter #18 gauge cable, a 9-inch ground spike, and an adjustable mounting angle to direct illumination as required by the installation.

This fixture carries a 3-year warranty.
