

Outdoor LED Bollard, 15W, 5000K, Dimmable, Black Finish, 8 x 8 x 32 in

- 15W power draw for energy-efficient outdoor illumination
- 5000K cool white color temperature for clear visibility
- Dimmable control for adjustable light output
- 120-277V input range supports broad electrical compatibility
- 50,000-hour rated LED lifetime for extended service intervals
- Black finish, 8 × 8 × 32 in footprint at 2.9 lb

OVERVIEW

The 1-G-D15-5K-31-BK is a 15W outdoor LED bollard designed for pathway, landscape, and perimeter lighting in both private and commercial applications. Its slim profile (approximately 8 × 8 × 32 in) and black finish allow it to integrate cleanly into a range of site designs without visual intrusion.

Operating at 15 watts with a 5000K cool white color temperature and a 120-277V input range, the fixture delivers clear, high-visibility illumination suited for walkways, garden borders, and building entries. The unit supports dimming for adjustable light output, and the LED source is rated for 50,000 hours, providing long-term energy and maintenance cost reductions compared to conventional light sources.

SPECIFICATIONS

OPTICAL

Color Temperature	5,000 K
LED Lifetime	50,000 h

MECHANICAL

Product Dimensions	8 × 8 × 32 in
Finish	Black
Weight	2.9 lb

ELECTRICAL

Operating Voltage	120-277 V
Wattage	15 W
Dimmer Type	Dimmable
Device Type	Bollard

ORDERING

Warranty	1 y
----------	-----

APPLICATIONS

- Pathway and walkway lighting
- Garden and landscape borders
- Building entry illumination
- Commercial property perimeter lighting
