

Outdoor LED Bollard, Black Aluminum, E27 Base, 108 x 800mm

- Aluminium construction for weather resistance
- Compact 108 × 800mm dimensions suit pathway and driveway installs
- E27 socket accepts user-selected lamp for flexible output and CCT
- Rated LED lifetime of 50,000 hours
- Matte black finish for contemporary landscape settings
- Backed by a 1-year warranty

OVERVIEW

The Outdoor Aluminium LED Bollard (1-G-E27-31-BK) is a ground-mounted pathway fixture designed for gardens, driveways, and walkways. Its slender 108 × 800mm profile and matte black finish suit contemporary landscape and commercial exterior applications.

Constructed from durable aluminium, the bollard is built to withstand varied weather conditions. The E27 socket accepts a range of standard lamp types, giving installers flexibility over light output and color temperature to suit the specific application, and the fitted lamp carries a rated life of 50,000 hours.

The fixture is backed by a 1-year warranty.
