

LED Bollard Lawn Lamp, 40 W E27 Socket, IP65, 600 mm Black Housing

- E27 lamp socket accepts replaceable sources up to 40 W
- IP65 -rated enclosure for direct outdoor exposure
- 600 mm overall height with 110 mm head diameter
- 120-277 V AC input range for commercial and residential circuits
- Black finish for low daytime visibility in landscape settings
- 50,000-hour rated lamp life

OVERVIEW

A pathway bollard luminaire built around a field-replaceable E27 lamp socket rated to 40 W maximum. The 110 × 65 × 600 mm form factor suits walkway edges, planting beds and landscape borders where a low-level marker is needed rather than an area floodlight.

The housing carries an IP65 rating and a waterproof environmental classification for continuous outdoor exposure, and accepts a 120-277 V AC supply. Rated lamp life is 50,000 hours. The black finish limits daytime visual impact against hardscape and foliage.

Supplied with a one-year warranty.

SPECIFICATIONS

OPTICAL

LED Lifetime 50,000 h

MECHANICAL

Product Dimensions 110*65*600mm

Finish Black

Base Type E27 Socket

ORDERING

Warranty 1 y
