OVERVIEW

A die - cast brass PAR36 landscape spot light finished in antique bronze, intended for grade - level and planting - bed accent lighting on 12 V low - voltage systems. The body is precision machined from a solid brass casting with an enclosed, water - resistant wireway, and the fixture ships with an 18 AWG lead wire. The lamp is not included.

The housing accepts a halogen PAR36 lamp up to 50 W or an LED PAR36 lamp; the rated configuration is 6 W at 2700 K with a 50,000 - hour lamp life. A clear flat glass lens with a factory - sealed socket and high - temperature silicone gasket forms a water - tight seal. The machined brass knuckle with solid brass thumb screw provides 270 - degree vertical tilt and 360 - degree horizontal rotation for aiming. Overall dimensions are 2.3 × 5.3 × 4.6 inches.
