

RGB Garden Spike Light, 9W COB LED, Aluminum Shell, AC85 - 265V, Remote Control

- 9W power consumption for energy-efficient outdoor accent lighting
- Wide voltage input range of AC85 - 265V for flexible power compatibility
- RGB color spectrum with remote control for color, brightness and mode adjustment
- Aluminum shell construction for heat dissipation and weather resistance
- 50,000-hour rated LED lifetime
- 1-year manufacturer warranty

OVERVIEW

The 1-G9-RGB-COB-110 is a 9W RGB LED ground spike light designed for outdoor accent and pathway applications, including garden beds, walkways, and feature lighting. The unit accepts a wide input voltage range of AC85-265V, making it compatible with a broad range of power supply configurations. An included remote control provides adjustment of color selection, brightness, and dynamic lighting modes across the full RGB spectrum.

The housing is constructed from aluminum, which supports heat dissipation and provides resistance to outdoor weather conditions for year-round installation. The LED source is rated for 50,000 hours of operation, and the unit carries a 1-year warranty.

SPECIFICATIONS

OPTICAL

LED Chip Type	COB
LED Lifetime	50,000 h

ELECTRICAL

Operating Voltage	85-265 V
Wattage	9 W

MECHANICAL

Material	Aluminum
Mounting	Spike

ORDERING

Warranty	1 y
----------	-----

APPLICATIONS

- Garden bed accent lighting
- Pathway and walkway illumination
- Landscape feature lighting
- Outdoor perimeter lighting
