

Replacement Mounting Screws for G Series LED Lights, 10x45mm

- 10×45mm screw dimensions for precise G Series fixture fitment
- Compatible with Poli LED G Series cobra head street light fixtures
- Suited for commercial and industrial outdoor installation environments
- Supports fixtures backed by a 1-year manufacturer warranty
- Matches fixtures rated for a 50,000-hour LED lifetime

OVERVIEW

Replacement mounting screws designed for use with Poli LED G Series light fixtures. These 10×45mm screws are intended to support installation and maintenance of compatible G Series luminaires in commercial and industrial applications.

The screws are sized to match the mounting hardware requirements of G Series street light housings, supporting secure fixture attachment during initial installation or field maintenance.

Compatible G Series fixtures carry a 1-year warranty and are rated for a 50,000-hour LED lifetime.
