

Yoke Mount Bracket for LED Area Light (1-ST-RM Series)

OVERVIEW

The 1-ST-RM-Y is a yoke mount bracket designed for use with the LUMIPRO 1-ST-RM series LED area lights. It provides a yoke-style mounting configuration for applications where this orientation is required, such as wall mounts or specific pole configurations. The bracket is sold separately from the luminaire.

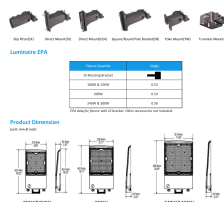

The bracket ships individually boxed and is packaged eight units per carton. Carton dimensions are 21.18" x 7.68" x 8.86", with a net weight of 7.84 kg and gross weight of 8.84 kg per carton. It is compatible with the full range of 1-ST-RM series fixtures across all wattage configurations.

This accessory is intended for use with UL-listed and DLC-qualified 1-ST-RM series luminaires. Consult the fixture datasheet for full system certification and warranty details.

SPECIFICATIONS

| | | | |
