

Bullhorn Adapter for 3" Pole, Three 2-3/8" Arms, Bronze Finish

- Fits a 3-inch pole for street and area lighting installations
- Accepts up to three 2-3/8-inch fixture arms on a single mount
- Bronze finish resists corrosion in outdoor environments
- Weighs 18.7 lb for straightforward field handling
- Backed by a one-year warranty
- Rated for 50,000 hours of LED lifetime

OVERVIEW

The Bullhorn Adapter is a pole-mounted accessory designed to accept up to three fixture arms on a 3-inch pole. It is suited for commercial and residential outdoor lighting installations where multiple luminaires must be supported from a single pole mount.

The adapter features a bronze finish for durability and corrosion resistance in outdoor environments, and it weighs 18.7 lb. Installation is straightforward, making it a practical choice for contractors and lighting installers working on outdoor projects.

This product carries a one-year warranty.
