- Backed by a 1-year warranty

OVERVIEW

The 1-ST-Z-P3-SH2-90-B is a straight horn adapter designed for 3-inch poles, featuring a dual 2-3/8-inch arm configuration at a 90-degree orientation in a bronze finish. This type of adapter is typically used in outdoor area and street lighting installations to mount luminaires to vertical poles at a fixed angle.

The unit is rated for a 50,000-hour LED lifetime and is backed by a 1-year warranty. It is offered as a liquidation item.
