

Vertical Tenon Reducer, 4-Inch Square Pole to 2-3/8-Inch Tenon, Bronze Finish

- Reduces 4-inch square pole to a 2-3/8-inch mounting tenon
- Bronze finish for compatibility with standard pole hardware
- Rated for 50,000-hour LED lifetime compatibility
- Sold as a liquidation item with limited 1-year warranty

OVERVIEW

The 1-ST-Z-P4-VTS-B is a vertical tenon reducer designed to adapt a 4-inch square pole to a 2-3/8-inch tenon, allowing compatible luminaires to be mounted on square structural poles without custom fabrication. Finished in bronze, it is suited for parking lot, roadway, and area lighting installations where square poles are specified. This unit is offered as a liquidation item and carries a limited warranty.
