

Rain Proof Cover for 4-Inch SLP Light Pole, 5 lb, 1-Year Warranty

- Fits securely over 4-inch SLP light poles
- Protects internal electrical components from water intrusion
- Weighs 5 lb for straightforward handling and installation
- Backed by a 1-year manufacturer warranty
- Supports uninterrupted illumination in outdoor settings

OVERVIEW

The Rain Proof Cover for 4-Inch SLP Light Poles is a protective accessory designed to shield electrical components from water intrusion and adverse weather conditions. It is intended for outdoor installations where SLP 4-inch light poles are deployed, providing a secure fit over the pole assembly to maintain system integrity.

The cover is constructed for durability in outdoor environments and is designed for straightforward installation. It helps prevent water damage to internal electrical components, supporting uninterrupted operation and improved safety at the installation site.

The cover is backed by a 1-year warranty.
