

Wall Mount Adapter with 2-3/8" Tenon, 90-Degree Angle, Bronze Finish

- Creates a precise 2-3/8 inch tenon for mounting compatible fixtures
- 90-degree angle configuration for perpendicular wall-mounted orientation
- Bronze finish for a clean, professional architectural appearance
- Backed by a 1-year warranty
- Compatible with fixtures rated for 50,000-hour LED lifetime

OVERVIEW

The 1-ST-Z-WM90-B is a wall mount adapter designed to simplify fixture installation and provide a secure, stable mounting solution for compatible luminaires. It produces a 2-3/8 inch tenon and features a 90-degree angle configuration, making it suitable for wall-mounted applications where a perpendicular fixture orientation is required.

The bronze finish provides a clean, professional appearance consistent with commercial and architectural lighting installations. The adapter is backed by a 1-year warranty and is compatible with fixtures rated for a 50,000-hour LED lifetime.
