

25W RGB LED Swimming Pool Light, 12V AC, Stainless Steel, IP68, 11 in.

- Delivers 2,500 lumens of RGB color-changing light output
- Operates on 12V AC input at 25W power draw
- IP68-rated stainless steel housing for continuous submersion
- Rated LED lifespan of 50,000 hours
- Supplied with a 15-meter cable for flexible installation depth
- Includes remote control for color selection

OVERVIEW

The 1-SW25-SS-RGB is an 11-inch submersible LED pool light designed for in-ground and above-ground swimming pool installations. The stainless steel housing provides corrosion resistance in chlorinated and saltwater environments, and the IP68 rating confirms suitability for continuous submersion. RGB color-changing operation is managed via included remote control, and a 15-meter cable is supplied to accommodate varied installation depths and deck configurations. Note that an AC 12V transformer is required and not included. The fixture operates at 25W and delivers 2,500 lumens, providing broad underwater illumination suitable for residential and light commercial pool applications. The LED source is rated for 50,000 hours of service life and is backed by a 1-year manufacturer warranty.

SPECIFICATIONS

OPTICAL

Luminous Flux	2,500 lm
LED Lifetime	50,000 h

MECHANICAL

Product Dimensions	295 × 70 mm
Material	Stainless Steel

ORDERING
