

4-Inch In-Ground Well Light, 5W RGB+CCT Selectable 3K/4K/5K, 12V, IP67

- Push-button selection of 3000K, 4000K, or 5000K CCT
- Six selectable accent colors: red, blue, green, orange, cyan, pink
- Die-cast aluminum housing rated IP67 for in-ground use
- Operates at 5W, 350 lumens output
- Accepts 12V-24V AC/DC input for flexible transformer compatibility
- 5-year manufacturer warranty

OVERVIEW

The 1-UG4-5-RGBCCT-12V-ETL is a 4-inch in-ground well light designed for landscape, hardscape, and architectural accent applications where flush-mounted, color-selectable illumination is required. A push-button selector allows the installer to choose from three correlated color temperatures (3000K, 4000K, 5000K) or six saturated colors (red, blue, green, orange, cyan, pink) without additional controllers.

The fixture operates at 5 watts, produces 350 lumens, and accepts 12V-24V AC/DC input. The die-cast aluminum housing carries an IP67 ingress protection rating, making it suitable for in-ground installations subject to temporary submersion. Overall dimensions are 4 inches in diameter by 3.38 inches in depth.

A 5-year warranty is included.

SPECIFICATIONS

OPTICAL

Luminous Flux	350 lm
Color Temperature	3,000–5,000 K

ELECTRICAL

Operating Voltage	12–24 V
Wattage	5 W

MECHANICAL

Product Dimensions	4 in x 3.38 in
Material	Die-cast aluminum

ENVIRONMENTAL

IP Rating	IP67
