

## Outdoor LED Wall Sconce, E27 Single Head, IP65, Square, Sand Grey

### OVERVIEW

The 1-W-E27-S-SV is a single-sided outdoor LED wall sconce in a square profile with a sand grey finish. Constructed from aluminum and acrylic, it is designed for use at building entrances, pathways, and exterior facades where a clean, low-profile fixture is required. The E27 socket accepts a wide range of standard bulbs; the light source is sold separately.

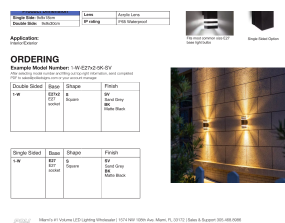

The fixture operates on 100–265VAC, making it compatible with standard U.S. and international supply voltages. It is rated for operating temperatures from -25°C to 55°C. Single-sided unit dimensions are 9 x 9 x 18 cm. No dimming support is included.

The sconce carries an IP65 weatherproof rating, confirming protection against dust ingress and low-pressure water jets. It is backed by a 1-year manufacturer warranty.
