

## Outdoor LED Wall Sconce, Double-Head E27, IP65, Matte Black, 9x9x30 cm

### OVERVIEW

The 1-W-E27x2-S-BK is a double-head E27 outdoor wall sconce in a matte black finish, designed for both interior and exterior applications. The square single-sided base accepts two standard E27 bulbs, sold separately, allowing the installer to select the appropriate light source for the project. The aluminum housing and acrylic lens construction are rated for all-weather exposure.

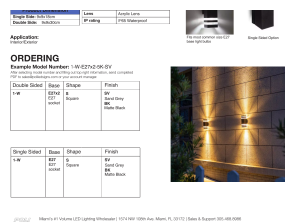

The fixture operates on a wide input voltage range of 100–265VAC, making it compatible with standard U.S. and international supply voltages. No dimming support is included. Operating temperature range is -25°C to 55°C. Mounting is accomplished via the included screw and bracket hardware. Unit dimensions are 9x9x18 cm for the single-sided configuration.

The fixture carries an IP65 waterproof rating, confirming protection against dust ingress and low-pressure water jets. A 1-year manufacturer warranty is included.
