

Outdoor LED Wall Sconce, Double-Head E27, IP65, Square Base, Silver

OVERVIEW

The E Series LED Wall Sconce (Single-Head, Square Base) is a weatherproof outdoor fixture designed for pathways, patios, gardens, and general exterior applications. It features an E27 socket base, allowing the installer to select a compatible light source separately. The housing is constructed from aluminum with an acrylic lens and is available in a Sand Grey finish.

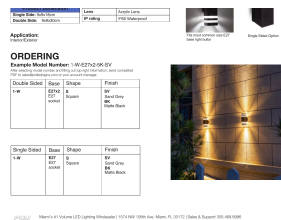

The fixture accepts input voltages from 100–265VAC, making it compatible with standard U.S. and international supply. The E27 socket supports a 120° beam angle. The aluminum and acrylic construction is rated for operating temperatures from -25°C to 55°C, and the unit mounts via included screw and bracket hardware.

The fixture carries an IP65 weatherproof rating, confirming protection against dust ingress and low-pressure water jets. It is backed by a 1-year manufacturer warranty.

SPECIFICATIONS

IP rating	IP65	Operating temp	-25 to 55 °C
Input voltage	100-265 VAC	Dimensions	9 x 9 x 18 cm
