

Outdoor LED Wall Sconce, 7W, 5000K, Black Finish, 120-277V

- Rated 7W for energy-efficient outdoor illumination
- Produces cool white light at 5000K color temperature
- Operates across a wide 120-277V voltage range
- Rated for 50,000 hours of LED lifetime
- Finished in black for architectural exterior applications
- Backed by a 1-year manufacturer warranty

OVERVIEW

The 1-W-FR7-5K-BK is a 7W outdoor LED wall sconce designed for exterior applications including patios, porches, and walkways. It produces a cool white 5000K output and features a sleek black finish suited for both functional and architectural installations.

Rated at 7W with an operating voltage range of 120-277V, the fixture is built to withstand extreme weather conditions, making it a reliable choice for exposed outdoor environments. An LED lifetime of 50,000 hours supports long-term use in residential and light commercial settings with minimal maintenance.

The fixture carries a 1-year warranty.

SPECIFICATIONS
