

Outdoor LED Wall Sconce, 9W 5000K, Black, 218x133x60mm

- 9W power consumption for efficient outdoor illumination
- 5000K color temperature for cool, neutral-white light
- Compact 218×133×60mm black-finished housing
- Universal 120-277V input voltage for flexible power compatibility
- 50,000-hour rated LED lifetime for extended service life

OVERVIEW

The 1-W-FS7-5K-BK is a 9W outdoor LED wall sconce finished in black, intended for exterior mounting applications such as pathways, building facades, and garden perimeters. Its compact profile measures 218×133×60mm, making it suitable for installations where space or clearance is limited.

The fixture operates on a universal 120-277V input and produces a 5000K correlated color temperature, delivering a cool, neutral-white output appropriate for security and accent lighting. Rated for a 50,000-hour LED lifetime, it is built for extended service in exterior applications.

The fixture carries a 1-year warranty.

SPECIFICATIONS

OPTICAL

Color Temperature	5,000 K
LED Lifetime	50,000 h

ELECTRICAL

Operating Voltage	120-277 V
Wattage	9 W
