

Outdoor LED Wall Sconce, 3W, 5000K, Black Finish, Wall Mount

- Draws only 3W for low-consumption operation
- Rated LED lifespan of 50,000 hours
- Lightweight design at 0.8 lb for easy handling
- Black finish suited to exterior wall mounting
- Backed by a 1-year manufacturer warranty

OVERVIEW

The 1-W-K3-5K-BK is an outdoor LED wall sconce designed for exterior applications where durable, reliable illumination is required. Suitable for building facades, entryways, and general outdoor area lighting, its black finish and compact form support straightforward wall mounting in a variety of settings.

The fixture draws 3W of power, offering a low-consumption lighting solution with a rated LED lifespan of 50,000 hours for extended service life. At 0.8 lb, it is lightweight and easy to install.

The sconce is backed by a 1-year warranty.
