

Outdoor LED Wall Sconce 36W Double-Sided 5000K Matte Black IP65

OVERVIEW

The R Series LED Wall Sconce (1-W-R18x2-5K-BK) is a double-sided outdoor fixture in a matte black finish, constructed from aluminum and acrylic. Suited for both interior and exterior applications, it is designed for commercial and residential perimeter lighting, building facades, and security illumination.

The fixture operates at 36W total (2x18W) with a 5000K color temperature and a rated efficacy of 100 lm/W. Input voltage range is 100–265VAC, supporting broad compatibility across electrical systems. Rated for 50,000 hours of service life, the unit carries an operating temperature range of -25°C to 45°C and is mounted via screw and bracket hardware.

The fixture is IP65-rated for weatherproof performance. A 1-year warranty is included.

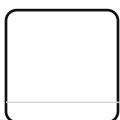

SPECIFICATIONS

Power	36 W	Input voltage	100-265 VAC
