

Single-Head Outdoor LED Wall Sconce 6W 5000K IP65 Sand Grey Finish

OVERVIEW

The R Series Single-Head LED Wall Sconce (SKU: 1-W-R6-5K-SV) is a 6W exterior-grade fixture designed for wall-mounted applications in both commercial and residential settings. Constructed with an aluminum body and acrylic lens, it is available in a Sand Grey finish and suited for façade lighting, entryways, walkways, and building perimeters.

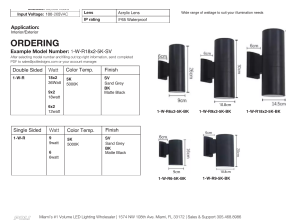

The fixture operates at 6W with a 5000K color temperature and delivers 100 lm/W efficacy across a wide input voltage range of 100–265VAC, making it compatible with most electrical systems. Rated for a 50,000-hour service life and an operating temperature range of -25°C to 45°C, it is built to perform reliably in demanding outdoor environments.

This sconce carries an IP65 waterproof rating, confirming protection against dust ingress and low-pressure water jets. It is backed by a 1-year manufacturer warranty. For specification submittals or volume pricing, contact your Poli LED & Signs account manager.
