

Outdoor LED Wall Sconce, Double-Sided 18W, 5000K, Matte Black, IP65

OVERVIEW

The R Series LED Wall Sconce (Model 1-W-R9x2-5K-BK) is a double-sided outdoor fixture rated at 18W total, designed for both interior and exterior applications. Constructed with an aluminum body and acrylic lens in a matte black finish, it suits a wide range of architectural and commercial installations.

The fixture operates at 5000K color temperature with an efficacy of 100 lm/W and a CRI greater than 80. It accepts a wide input voltage range of 100–265VAC, supports an operating temperature range of -25°C to 45°C, and is rated for a 50,000-hour service life.

The fixture carries an IP65 waterproof rating, confirming protection against dust ingress and low-pressure water jets. It is backed by a 1-year manufacturer warranty.
