

Outdoor LED Wall Sconce, 5000K,
Dimmable, Silver Finish,
100x100x100mm

- Two 3-watt LEDs deliver energy-efficient illumination
- Color temperature rated at 5000K for a bright white output
- Dimmable operation for adjustable light levels
- Waterproof construction suited for outdoor exposure
- Silver finish measuring 100×100×100mm
- LED lifetime rated at 50,000 hours

OVERVIEW

The 1-W-S3×2-5K-SV-D is a compact outdoor LED wall sconce designed for exterior mounting applications where a low-profile, weather-resistant fixture is required. The silver finish suits a range of architectural contexts, and the fixture is suited for contractors and property managers seeking a clean, functional wall light.

The fixture uses two 3-watt LEDs producing light at a 5000K color temperature with an LED lifetime rated at 50,000 hours. It supports dimming and is built for waterproof outdoor use, measuring 100×100×100mm.

The fixture carries a 1-year warranty.

SPECIFICATIONS

OPTICAL

Color Temperature	5,000 K
