OVERVIEW

The 1-W-S7-5K-BK is a 7W outdoor LED wall sconce designed for exterior applications including patios, gardens, and pathways. The square fixture is finished in black and delivers a 5000K daylight-range color temperature suited to accent and area lighting in commercial and residential outdoor environments.

Rated at 7W with an LED lifetime of 50,000 hours, the fixture is designed for energy-efficient, long-lasting operation with low energy consumption relative to conventional light sources. It measures 133×133×67mm.

The fixture carries a 1-year warranty.
