

Outdoor LED Wall Sconce, Black, 5000K,
80×65×142mm Dual-Head Design

- Black finish suited for exterior architectural surfaces
- 5000K daylight color temperature for crisp cool-white output
- Rated LED lifespan of 50,000 hours
- Compact 80×65×142mm dual-head housing
- Backed by a 1-year manufacturer warranty

OVERVIEW

The 1-W-T3×2-5K-BK is a black outdoor LED wall sconce designed for pathway, porch, and general outdoor area lighting. Its low-profile 80×65×142mm form factor suits residential and light commercial applications where unobtrusive fixture design is a priority.

This sconce produces a 5000K daylight color temperature, delivering crisp, cool-white illumination suited for security and accent lighting in outdoor environments. The fixture carries a rated LED lifespan of 50,000 hours.

The sconce is backed by a 1-year warranty.
