

Outdoor LED Wall Sconce, 5000K, Black Finish, 100x100x200mm Wall Mount

- Compact 100×100×200mm black - finish housing for wall mounting
- 5000K color temperature for cool, crisp white light output
- Rated LED lifetime of 50,000 hours for extended service life
- Durable construction withstands harsh outdoor weather conditions
- Backed by a 1 - year manufacturer warranty

OVERVIEW

The 1-W-U3×2-5K-BK is an outdoor LED wall sconce designed for residential and commercial exterior applications. Its compact 100×100×200mm profile suits a range of mounting locations where a low - profile fixture is required, including building facades, entryways, and pathways.

The fixture operates at a 5000K color temperature, producing a cool, crisp white light suited for visibility and security lighting. It is constructed from durable materials rated to withstand harsh weather conditions and carries a rated LED lifetime of 50,000 hours.

The fixture is backed by a 1 - year warranty.
