

LED Wall Sconce, 5000K CCT, Silver Finish, 100x100x200mm

- Silver finish complements exterior architectural surfaces
- Compact 100×100×200mm housing suits low-profile wall mounting
- Two integrated LED sources produce 5000K cool white light
- Rated LED lifetime of 50,000 hours for extended service life
- Backed by a 1-year manufacturer warranty

OVERVIEW

The 1-W-U3×2-5K-SV is an outdoor LED wall sconce finished in silver, intended for pathway, entrance, and general exterior area illumination. Its compact 100×100×200mm form factor suits installations where a low-profile fixture is required without sacrificing light output.

The fixture houses two integrated LED light sources producing a 5000K correlated color temperature, delivering cool white light suited to security-oriented or task-focused outdoor applications. Rated LED lifetime is 50,000 hours.

The fixture carries a 1-year warranty.

SPECIFICATIONS
