

24V Window Light Wall Washer, 12W,
Blue SMD4040, IP68, 20in Length

- Delivers 12W of blue light output via SMD4040 LED chips
- Operates on a 24VDC input for safe low - voltage installation
- IP68 environmental rating suited for wet or outdoor locations
- Rated LED lifetime of 50,000 hours for extended service life
- 20in fixture length for linear wall - wash coverage
- Backed by a 1 - year manufacturer warranty

OVERVIEW

This 24V Window Light wall washer is a commercial-grade LED fixture designed for architectural accent and outdoor wall washing applications. It delivers blue illumination through SMD4040 chip technology for uniform light distribution across building facades, windows, and signage surfaces.

The fixture operates on a 24VDC input at 12W, offering energy-efficient performance suited to continuous outdoor use. Its IP68 environmental rating supports installation in wet or exposed locations, and the LED source carries a rated lifetime of 50,000 hours.

The fixture is backed by a 1-year warranty.

SPECIFICATIONS

OPTICAL

Color Temperature *	Blue
LED Chip Type	SMD4040
