

120W LED Wall Pack, 14,400lm, 5000K, Semi-Cutoff Optical Design

- Delivers 14,400 lumens from a 120W LED source
- 5000K neutral-white color temperature for security and area lighting
- Semi-cutoff optics reduce upward light spill and glare
- Universal 120-277VAC input voltage for flexible installation
- Rated LED lifetime of 50,000 hours
- Power factor greater than 0.9 for efficient electrical draw

OVERVIEW

The LUMIPRO ETLG Series LED Wall Pack is a commercial-grade outdoor lighting fixture designed for building perimeters, parking areas, loading docks, and similar applications requiring reliable area illumination. Its semi-cutoff optical design limits upward light spill, directing output where it is needed while reducing glare.

The fixture operates at 120W and delivers 14,400 lumens at a 5000K color temperature, providing crisp, neutral-white illumination suited to security and general outdoor use. It accepts a 120-277VAC input and carries a rated LED lifetime of 50,000 hours.

A 1-year manufacturer warranty is included.

SPECIFICATIONS

OPTICAL

Luminous Flux	14,400 lm
Color Temperature	5,000 K
LED Lifetime	50,000 h

ELECTRICAL

Operating Voltage	120-277 V
Wattage	120 W

ORDERING

Warranty	1 y
----------	-----

APPLICATIONS

Building perimeter lighting Parking lot and parking structure illumination Loading dock area lighting Outdoor security and pathway lighting
