

Replacement Mounting Bracket for LED RGB Wall Washer Series, Screw Attachment

- Replacement bracket compatible with LED RGB Wall Washer series
- Screw-based attachment for tool-light installation and removal
- Provides secure, stable mounting for existing fixture bodies
- Supports fixtures rated for 50,000 hour LED lifetime
- Backed by 1-year warranty coverage

OVERVIEW

The 1-WW-Z-BR is a replacement mounting bracket designed for use with the LED RGB Wall Washer series. It is intended for installations where an existing bracket requires replacement, providing a secure and stable mount for the fixture.

The screw-based attachment mechanism allows for straightforward removal and reinstallation without specialized tooling, supporting field maintenance and quick fixture swaps.

The compatible LED RGB Wall Washer series carries a 1-year warranty and a rated LED lifetime of 50,000 hours.
