

WW2 LED Wall Washer 24VDC, 24W, 20-Inch, Blue SMD4040, IP68

- Operates at 24W on a 24VDC input
- Uses SMD4040 LED chip technology
- IP68 rated for wet and submerged environments
- LED density of 24 LEDs per meter
- Rated for 50,000 hours of LED lifetime
- Compact 1.6 × 1 × 20 inch form factor

OVERVIEW

The WW2 LED Wall Washer is a compact 24VDC fixture delivering blue accent and wash lighting for architectural applications indoors and outdoors. Its low-profile 20-inch body suits commercial and residential installations where color ambiance and space efficiency are priorities.

The fixture draws 24W using SMD4040 chip technology at a density of 24 LEDs per meter, with an LED lifetime rating of 50,000 hours. Its IP68 rating and waterproof construction support use in wet or submerged environments, and the 24VDC input is compatible with standard low-voltage driver systems used in landscape and architectural lighting.

The fixture is backed by a 1-year warranty.

SPECIFICATIONS

OPTICAL

LED Chip Type	SMD4040
LED Density	24 LEDs/m
LED Lifetime	50,000 h
