

WW2 LED Wall Washer 24VDC, 24W, 40-Inch Pink, SMD4040 Chip, IP68

- Operates at 24VDC, drawing 24W of power
- SMD4040 chip technology in pink color output
- IP68 rated for dust and continuous submersion resistance
- LED density of 24 LEDs per meter for uniform output
- Rated for 50,000-hour LED lifespan
- Compact 1.6 × 1 × 40-inch profile

OVERVIEW

The WW2 LED Wall Washer is a 24VDC, 24W fixture designed for indoor and outdoor architectural lighting applications, including facade illumination, landscape accents, and grazing wall surfaces. Available in pink, it delivers uniform illumination using SMD4040 chip technology at a density of 24 LEDs per meter.

Rated IP68, the fixture resists dust ingress and continuous water submersion, suiting demanding outdoor and wet-location installations. It measures 1.6 × 1 × 40 inches and carries an LED lifespan rating of 50,000 hours.

The fixture is backed by a 1-year warranty.

SPECIFICATIONS

OPTICAL

LED Chip Type	SMD4040
LED Density	24 LEDs/m
LED Lifetime	50,000 h
Light Color	Pink

MECHANICAL

Product Dimensions	1.6 × 1 × 40 inches
--------------------	---------------------

ORDERING

Warranty	1 y
----------	-----

APPLICATIONS

- Facade illumination
- Landscape wall grazing
- Outdoor architectural accent lighting
- Wet-location commercial installations
- Indoor decorative wall washing
