

Wall Washer Replacement Bracket, Mounting Hardware for Wall Washer Luminaires

- Replacement mounting bracket for compatible wall washer fixtures
- Restores fixtures rated for 50,000 hour LED lifetime to service
- Backed by a 1 year warranty
- Avoids need for full luminaire replacement when bracket is damaged

OVERVIEW

The 1-WW2-BR is a replacement bracket designed for compatible wall washer luminaires. It is intended for use when the original mounting bracket requires replacement due to damage or wear, allowing the fixture to be restored to proper working condition without full luminaire replacement.

The bracket is intended for use with luminaires rated for a 50,000 hour LED lifetime and is backed by a 1 year warranty.
