

36W RGBW 4-in-1 LED Wall Washer, IP67, Wi-Fi + Bluetooth Smart Control

OVERVIEW

The 1-WW36-RGBW-SMART is a 36W RGBW 4-in-1 LED wall washer designed for outdoor facade, landscape, and commercial accent lighting applications. The slim aluminum housing uses 6063-series alloy with an anodized finish, and a 4mm tempered glass lens rated IK08 for impact resistance. Wi-Fi and Bluetooth dual-mode control is supported through the Magic Home app, with a remote control included.

The fixture operates on AC 120V–265V and delivers a 30-degree beam angle suited for grazing and washing vertical surfaces. The light source is Bridgelux LED with a rated lifespan of 50,000 hours. A fully potted PCB and driver enclosure provide IP67 waterproof protection, making the unit suitable for permanent outdoor installation. Operating temperature range is -20°C to +60°C. Wiring includes a 300mm lead with male and female waterproof connectors.

The fixture carries an IP67 ingress protection rating confirmed by the manufacturer. A 3-year warranty is included.

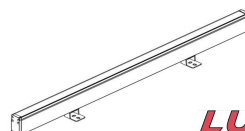

SPECIFICATIONS

Power	36 W	Input voltage	120 V
Luminous flux	2204 lm	Dimensions	47.2 x 1.0 x 2.4 in (L x W x H)
CRI	80	Rated life	50000 hr
Beam angle	30 °	Warranty	3 yr
IP rating	IP67	Operating temp	-20 to +60 °C
