OVERVIEW

The 2-A24 is a single-sided aluminum snap frame display designed for presenting advertisements, promotional materials, or informational graphics in commercial and public-facing environments. The frame measures 24 × 32 inches and provides a clean, minimalist profile suited for wall-mounted installations across a range of interior settings.

The snap frame mechanism allows for tool-free graphic changes, making it practical for locations where content is updated frequently. The aluminum construction provides durability while keeping the overall footprint unobtrusive.

The display is backed by a 1-year warranty.
