

A-Frame Metal Sign Stand, Double-Sided, 24 in x 36 in, Indoor/Outdoor Use

- Double-sided A-frame design for two-way visibility
- Overall frame dimensions of 24 in x 36 in
- Recommended image size of 22 in x 34.75 in per side
- Constructed from sturdy metal for indoor and outdoor use
- Backed by a 1-year manufacturer warranty

OVERVIEW

The 2-A24D-TW is a double-sided, A-type metal sign stand measuring 24 in x 36 in, designed for presenting printed graphics, signage, or informational content in both indoor and outdoor environments. Its compact footprint suits trade shows, exhibitions, retail storefronts, and office settings where clear visual communication is required.

The frame accommodates a recommended image size of 22 in x 34.75 in for a clean, professional fit on both display faces. Constructed from sturdy metal, the stand is built to withstand regular handling and varied installation conditions across its intended use environments.

The display is backed by a 1-year warranty.
