OVERVIEW

The 2-A28D-TW is a double-sided, A-type metal display frame measuring 28 × 40 inches, designed for professional image presentation in offices, trade shows, galleries, and retail environments. The frame accommodates printed graphics up to 26 × 38.25 inches and provides maximum visibility from two sides, making it well suited for high-traffic areas where dual-facing exposure is required. The silver finish metal construction is built for durability while maintaining a clean, modern appearance, and the unit is designed for straightforward assembly, transport, and storage. A 1-year warranty applies to this display.
