

Steel 4-Level Catalog Holder, 13 in. Wide x 56 in. Tall Floor Display

- Steel construction provides a sturdy, tip-resistant base
- Four-tier design organizes multiple catalogs in one footprint
- Product dimensions of 10.5 × 2.5 × 50.5 in. suit compact floor spaces
- Weighs 12.1 lb for straightforward placement and repositioning
- Backed by a 1-year manufacturer warranty

OVERVIEW

The Steel 4-Level Catalog Holder is a floor-standing display unit designed for organizing and presenting catalogs in retail stores, offices, and trade show environments. Its four-tier configuration allows multiple catalogs to be arranged for clear visibility while keeping the footprint compact.

Constructed from steel, the unit provides a sturdy base that resists tipping during regular use. Product dimensions measure 10.5 × 2.5 × 50.5 in. and the unit weighs 12.1 lb, supporting quick assembly and efficient use of floor space without sacrificing presentation quality.

The manufacturer backs the catalog holder with a 1-year warranty.
