

5-Level Metal Catalog Holder, Metal Construction, 1-Year Warranty

- Five-tier metal construction for organized catalog display
- Compact footprint suited to countertops, desks, or shelves
- Secure retention of catalogs and brochures across all levels
- Backed by a 1-year manufacturer warranty

OVERVIEW

The 2-CH5 is a five-level metal catalog holder designed for organized display and easy access to catalogs, brochures, and similar printed materials. It is suited for office environments, trade show booths, and reception areas where a professional, space-efficient presentation is required.

Constructed from metal, the unit provides stable, secure retention of materials across all five tiers. Its compact footprint makes it practical for countertop, desk, or shelf placement without sacrificing display capacity.

The 2-CH5 is backed by a 1-year warranty.
