

Steel 9-Level Catalog Holder, 15 in. W x 56 in. H (Discontinued)

- Nine-level configuration for sorting catalogs, brochures, and magazines
- Steel construction supports durable everyday use
- Compact footprint at 15 in. W x 56 in. H
- Neutral finish and clean-line profile suit varied interior settings
- Backed by a 1-year warranty

OVERVIEW

The Steel 9-Level Catalog Holder is a freestanding storage unit designed for professional environments where organized display of catalogs, brochures, and magazines is required. Its nine-tier configuration supports versatile sorting and provides straightforward access to printed materials, making it well suited for showrooms, offices, and high-traffic workspaces.

Constructed from steel, the unit offers durable support for everyday use. Its neutral finish and clean-line profile allow it to integrate into a range of interior settings without imposing on the surrounding space. The compact footprint minimizes floor area consumption while maintaining ample storage capacity across all nine levels.

The unit is backed by a 1-year warranty.
