

Outdoor Advertising Flag Pole Kit for Commercial Signage Display

- Includes a ground-support tank base for freestanding installation
- Designed for outdoor advertising flag display applications
- Suited to commercial and retail property signage needs
- Kit format includes pole and base hardware for setup

OVERVIEW

The 2-FF16-Tank-Kit is an outdoor advertising flag pole kit designed for commercial signage and promotional display applications. It provides the structural hardware needed to mount and display advertising flags in exterior environments. This kit is suitable for use at retail locations, dealerships, event venues, and similar commercial properties where a freestanding flag display is required.

APPLICATIONS

- Retail storefronts
- Auto dealerships
- Event venues
- Commercial parking lots
- Grand opening promotions
