

Steel Square Flag Pole Base with Pin and Handle Cut-Out, 30x30cm, 8 lbs

- Steel construction for a stable, weighted flag pole base
- 30×30cm square footprint for floor-standing installations
- Integrated handle cut-out for lifting and repositioning
- Pin-style mount without bearing for pole insertion
- Weighs 8 lbs for balanced stability and portability
- Backed by a 1-year warranty

OVERVIEW

The 2-FP-B-30×30S is a steel square flag pole base designed for pin-style feather flag installations. The 30×30cm footprint provides a stable mounting platform for floor-standing flag displays used in retail, trade show and outdoor event settings.

The base features an integrated handle cut-out that facilitates lifting and repositioning on site. At 8 lbs, it offers sufficient structural weight to stabilize a flag pole while remaining light enough for one-person handling and transport.

The base carries a 1-year warranty.
