

Cap Screw and Hinge Kit for Flying Backpack Sign Mounting, 1 - Year Warranty

- Dedicated mounting hardware for the 2-FP-BackPack flying backpack sign
- Hinge and cap screw design enables controlled, repeatable assembly
- Constructed from durable materials for consistent field performance
- Backed by a 1-year manufacturer warranty
- Compatible exclusively with the 2-FP-BackPack platform

OVERVIEW

The Cap Screw and Hinge Kit is a dedicated mounting accessory designed for use with the 2-FP-BackPack flying backpack sign system. It provides a secure mechanical connection between components, supporting safe and reliable operation during use.

Constructed from durable materials, the kit is built to maintain consistent performance across varying conditions. Its hinge and cap screw design allows for controlled, repeatable assembly and is compatible exclusively with the 2-FP-BackPack platform.

The kit is backed by a 1-year warranty.
