

Elastic Rope for Flag Poles, 40 In. (100 cm), Black

- Elastic rope measures 40 in. (100 cm) in length
- Black color for a discreet, low-visibility finish
- Backed by a 1-year warranty
- Designed specifically for flag pole rigging applications

OVERVIEW

The 2-FP-ER is a black elastic rope designed for use with flag poles, providing a flexible and secure attachment solution. At 40 inches (100 cm) in length, it is suited for standard flag pole rigging applications where stretch and resilience are required for feather flag banner displays.
