

17 ft Sectional Flag Pole with Carrying Tube, No Base (5.6 m)

- 17 ft (5.6 m) overall pole height
- Sectional design for transport and assembly
- Includes carrying tube for storage and transport
- Sold without base for independent mounting solutions
- 1-year warranty coverage

OVERVIEW

The 2-FP17-HW is a sectional flag pole standing 17 ft (5.6 m) tall, designed for commercial and institutional flag display applications. It ships as a sectional pole with a carrying tube for transport and storage, and is sold without a base, making it suitable for installations where a separate mounting solution is already in place or specified independently.

The pole carries a 1-year warranty.
