

17 ft Sectional Flag Pole with Carrying Bag, No Base

- 17 ft (5.6 m) sectional height for indoor or outdoor use
- Includes carrying bag for transport and storage
- Sectional design allows for easy assembly and disassembly
- Sold without base for customizable mounting options
- Backed by a 1-year warranty

OVERVIEW

The 2-FP17 is a 17 ft (5.6 m) sectional flag pole designed for displaying flags in both indoor and outdoor environments. Its sectional construction simplifies transport and storage, and the included carrying tube keeps components organized between uses.

The pole is built from durable materials intended for long-term service. No base is included, allowing installers and property managers to select a mounting solution appropriate for the specific application.

The pole carries a 1-year warranty.
