

Aluminum Snap Frame for Hanging Banners, 36 in. (Set with Bag)

- Aluminum construction for durable, repeated use
- 36 in. length snap frame profile
- Snap-open design allows tool-free banner installation and changes
- Set includes a storage and transport bag
- Backed by a 1-year warranty

OVERVIEW

The 2-HD9625-36 is a set of aluminum snap frames designed for hanging banners in commercial and retail display applications. The frames provide a structured mounting solution for promotional materials, with a snap-open profile that allows for straightforward banner installation and replacement without tools.

Constructed from aluminum, the frames are built for repeated use and long-term durability. A storage and transport bag is included with the set, supporting organized handling between deployments.

The set carries a 1-year warranty.
