

Wood Top Counter with Aluminum Structure, 52in x 16in x 35in

- Wood top counter with aluminum frame construction
- Dimensions of 52in L x 16in W x 35in H
- Image backdrop panel sized 72in x 33.5in for branding
- Portable, easy-to-assemble design for temporary setups
- 1-year warranty coverage

OVERVIEW

The 2-PDA3616 is a promotional display counter featuring a wood top surface and aluminum frame construction, designed for retail, trade show, and point-of-sale environments. At 52 inches long, 16 inches wide, and 35 inches tall, it provides a functional work surface suitable for showcasing merchandise or staffing a branded booth.

The counter is built from wood and aluminum for a combination of durability and structural stability. It is designed to be portable and easy to assemble, making it practical for temporary or recurring promotional setups. An image backdrop panel is included to support branded graphics and improve display visibility.
